Why do you want to serve on the Board of Directors?

List special qualifications you have which can be used as a Board Member

I realize that election to the Board of Directors of TACSAP will require attendance at four Board meetings during the year. The Board is a working board and I will be responsible for committee work that must be accomplished so the board can function. I also realize that I will represent the membership of the organization in the most professional manner possible based on the mission and goals of the organization as well as fiscal responsibility.
